Subject: Progress Update on Novus 2026 Preparations

Dear Professor Rao,

I hope you are doing well. I would like to provide an update regarding the preparations for Novus 2026.

So far, the organizing committee has finalized the event schedule, confirmed participation from several student clubs, and completed the venue booking process. We have also designed promotional posters and started publicity through social media platforms.

One challenge we are currently facing is coordinating with a few external sponsors whose confirmations are still pending. However, we are in regular communication with them and expect

updates within the next week.

The remaining tasks include finalizing sponsorship agreements, arranging technical equipment, and completing volunteer assignments. We expect all major preparations to be completed two weeks before the event.

Please let us know if you have any suggestions or additional instructions. We would appreciate your feedback on our progress.

Thank you for your guidance and support.

Best regards,
